

Chamber Acts To Solve Housing In Construction Area

Report Vacancies In Lake Area at Meeting Of Groups Here

The housing situation, described as critical in the immediate Truckee area, apparently does not, for the time being at least, extend to North Lake Tahoe.

At a meeting sponsored by the Truckee Chamber of Commerce yesterday, spokesmen from the lake indicated that not only are there many trailer court vacancies but that a current housing survey is expected to reveal many available living quarters.

T. L. James, who represented the North Tahoe Businessmen's Association, reported a recent trailer court survey of that area showed 83 available units, exclusive of reservations. Rentals, he said would probably average \$50 monthly.

These spaces, together with housing will be listed, James said, with a central agency and relayed to the Truckee Chamber of Commerce so that those seeking living quarters could be advised either here or through the Tahoe agency.

Roy Saarni of the forest service explained that scores of trailer owners visit his ranger headquarters in Truckee daily seeking locations but thus far the service has refused to permit parking except in areas designed for the purpose.

Richard Walker, area sanitarian, explained his stand in enforcing a Nevada County ordinance designed to protect public health in keeping trailers off both private and public property where restrictions on sanitation are not in compliance with the ordinance.

John Jamison, state housing official, spoke on the work of his department in the area and stressed the need for meeting regulations and compliance with state laws.

Jamison reported that a summary survey revealed that only about one-fourth the number of expected workmen on various building projects in the area have arrived and pointed to the need for adequate housing.

Lou Spitz, housing director for the California Olympics committee, spoke briefly on his organization's interest in local housing and emphasized the demand being made two years in advance of the games.

Bill Bien, promotional director for the Lake Tahoe-Sierra Chamber of Commerce, injected an optimistic note into the meeting by comparing the present situation with Lake Placid, in 1932 when the Olympics were held there. He described the permanent results of the games on the New York community and indicated the Squaw Valley games would have a far greater impact on this region.

Other speakers discussed the various phases of present and future housing.

N. F. Doley presided at the meeting with Zeph Rose, chairman of the housing committee, acting as master of ceremonies.

SENATOR JOHNSON TO BE FETED IN MEET

At a luncheon to be held at Squaw Valley Lodge Saturday, Senator Harold T. Johnson of Roseville will be signally honored with a presentation of a plaque commemorating his part in procuring the 1960 Winter Olympic Games.

The affair is being arranged by the Placer County Chamber of Commerce and Harry Rosenberry, president is expected to make the presentation.

NANCY HOOKER WEDS RANDALL WHITEFIELD

Mr. and Mrs. Randall Whitefield are receiving felicitations of friends following their marriage on May 13th at Reno, Nevada.

Members of the immediate families and David Brown of San Francisco attended the quiet nuptial service.

The bride is the former Nancy Hooker, daughter of Mrs. Mary Hooker of Santa Rosa and attended schools in that city.

Mr. and Mrs. Carl Whitefield of Donner Memorial State Park are the parents of the young benedict. The latter has been employed here following his graduation from San Diego schools. The newly married couple are living at Donner Lake and expect to establish their home in this vicinity.

TAHOE MAN HELD ON HORSE THEFT COUNT

Robert Coldren, 48, was brought to Truckee from Tahoe Valley last week by Deputy Sheriff Roy Waters to face grand theft charges growing out of the alleged sale of a horse to two buyers.

Paul Rausch, Truckee resident, charges he purchased the horse for \$120, Waters said, and later Coldren is accused of selling the same animal to a Reno buyer.

In Texas—Mrs. Bruce Grow and children left last week to spend a month in Texas, at the home of her parents.

Officers Selected For Airport Board At Auburn Meet

At the formal organization meeting of the Truckee-Tahoe Airport District at Auburn Monday, Zeph Rose was seated as permanent board chairman. Other members of the board are Rex Reid and Lee Apple of Truckee; Fred Schultz and Walter G. Speeter of Kings Beach.

Cecil Edmunds was appointed secretary of the board and Don Stumbo of Tahoe Vista, manager. Lee Apple was designated as auditor and the Bank of America named as the depository. Norman B. Hansen of the engineering firm of Wilson & Ham will make an engineering report of the proposed landing field starting this week.

This report will include a feasibility survey, costs and other details for study by the board. None of the officers or appointees, including Paul Chamberlain as attorney, will receive compensation for their efforts for the time being at least, Edmunds reported.

The board will meet the first Monday of each month at the Truckee Public Utility District in Truckee at 8 p.m.

Workers Named In Red Cross Drive

The Red Cross fund drive got under way in this community Monday, under the direction of George Kaspan, general chairman.

The drive will continue all during this month and a large crew of volunteer workers will call on everyone in the region. Kaspan this week announced the workers and the territory they will cover. They are:

West High Street: Mrs. Lucille Bick and Mrs. R. W. Saarni; Donner Lake area: Mrs. B. M. Scuttio; south side of S. P. Tracks, east of Bridge street: Mrs. Consuelo Diaz; west of Bridge street: Mrs. Glenn Miller; Floriston: Mrs. Katherine Ayala; Church street area: Mrs. Karl Kiehofer; Bank of America: Lee Apple; Gateway: Mrs. Leonore Vind; Meadow Park: Mrs. Rose Waters; business section: George Kaspan; Donner Summit area: Mrs. Dorothy Landro and Ed Trask; Main street, west: Mrs. Fred Pedley.

CHARGES AGAINST EUER ARE DISMISSED

Charges which had been filed against Louis Euer by Felix Smith as the result of the alleged theft of property from the Smith resort at Frog Lake several months ago, were dismissed in the Truckee Judicial District Court Thursday because of lack of evidence.

At the same time, charges against Burnel Euer were reduced from grand theft to petty theft and he was fined \$50 by Judge Harry Harrison sitting for Judge F. W. Wilson who was ill.

District Attorney Harold Berliner was here to conduct the prosecution.

PARTY PLANNED BY OES FOR SATURDAY

All members of the Eastern Star are invited to a party to be held at Masonic Hall in Truckee at 8 p.m., Saturday, May 17 to honor all the officers. Truckee Chapter will put on the party and Mrs. Hilda Hintz will be in charge of refreshments.

There will be a regular meeting of the chapter Tuesday, May 20. The theme will be "A Night of Remembrance." Chairman for the evening's refreshments will be Mrs. Dorothy Rose and Worthy Matron Lillian L. Miller and Worthy Patron Dan Anderson will preside.

BRIEF DELAYS ON 89 AS WORK STARTED

J. W. Reynolds, resident engineer of the California Division of Highways said that the contractors of the highway 89 project are stopping traffic at short intervals between Squaw Valley road and the Donner Creek Underpass while they are clearing trees and brush from the right of way.

The stops will occur during the working week of Monday through Saturday.

Grading will start on the area in two or three weeks.

Reynolds urged motorists to carefully observe the speed limit signs, especially in the vicinity of flagmen and thus avoid accidents.

School Election In District Slated For Next Tuesday

Three Candidates Seeking One Board Post At District Polls

Voters of the Tahoe Truckee Unified School District will go to the polls next Tuesday to select one out of three candidates as a representative on the governing board of the district.

The three candidates for the office are the incumbent, Fred M. Pedley of Truckee, John Palmer of North Tahoe and Hilda D. Hintz of Truckee.

On the same ballot, voters will name a director for the Sierra College District. In this, the incumbent, Harold M. Welch of Truckee is unopposed.

The voting will be in five precincts: Donner Trail school, Kings Beach school, Tahoe Lake school, Floriston post office and the Truckee elementary school. The polls will be open from 7 a.m. until 7 p.m.

Because of the interest in the local board contest, a large turnout of voters is expected.

More Deputies In Truckee Needed

Sheriff Wayne Brown, accompanied by Deputy Frank Gallino was here Thursday on official business and greeting voters in behalf of his uncontested campaign for re-election at the June 3 primary.

Sheriff Brown revealed that he is vitally concerned over the condition of the local jail and told of plans to have improvements made. He also emphasized his stand that more deputies should be employed for the eastern end of the county to handle the fast increasing gain in population.

Since his election as sheriff, Brown has manifested an interest in the eastern portion of the county and it was largely through his efforts that an efficient staff of deputies was appointed and that short-wave radio communications were installed to cope with the situation in his area.

Although unopposed for the office he now holds, Sheriff Brown is soliciting the complimentary vote of his constituents and is basing his campaign on his thorough knowledge of the problems confronting the sheriff's office and his ability and willingness to meet them.

Brown said he was firmly convinced that this end of the county needs and is entitled to a county building not alone to house an adequate jail but to provide a service badly needed in the community.

NURSERY SCHOOL TO SPONSOR BENEFIT

The Truckee Co-operative Nursery School is planning a dance and buffet in Donner Lake Lodge, Friday, May 23, beginning at nine o'clock.

The theme of the benefit is Spring Thaw, with a small fee charged for the proposed nursery school program for the coming year.

A good time is promised for those attending and the young matrons are making interesting plans for the evening.

BANKERS WILL MEET THIS WEEK AT SQUAW

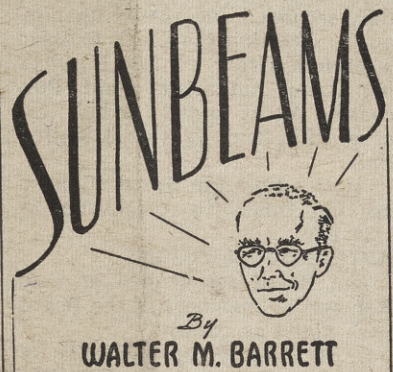

Members of the California Bankers Association Group 1, comprising most of northern California, will hold their spring meeting at Squaw Valley Lodge Saturday.

Group President J. W. Pugh of the Crocker Anglo National Bank at Fair Oaks will preside.

MISS HECKER HERE TO GREET FRIENDS

Miss Elma Hecker, Nevada County treasurer, accompanied by Mrs. W. W. Bishop were here from Nevada City yesterday meeting with friends. Miss Hecker is a candidate for reelection to the office she holds and does not have opposition.

Farewell to Forest—Carl Forest who recently transferred from Auburn branch of Bank of America to Truckee was the incentive of a farewell party by friends, prior to his arrival here.

Small boys with guns, air rifles and sling shots are having a field day with the fast diminishing song birds in this community and apparently without restraint. There is undoubtedly a primitive urge in every boy to try his skill with weapons but broken windows, wounded animals and a litter of dead birds attest to the fact that in some cases this urge is being exercised too freely. There is a law against killing song birds, but this is apparently not a deterrent. We believe that for the safety of the children themselves, as well as for the protection of birds and property, this shooting should be confined to designated safety areas against inanimate targets and we also believe that the parents should establish a very definite ruling and thus avoid official action.

With the school district election coming up next Tuesday, we would like to urge every voter to turn out and cast a ballot. Our schools are one of our most important institutions and are entitled to more than a passing interest. The people who administer school affairs should be chosen with thought and concern. We are not dictating your choice of a candidate at Tuesday's election, but we believe it is important that you show enough interest in your schools to make your selection and vote.

Cabin Owners At Lake Protest Zone

Approximately 25 cabin and lot owners on the west end of Donner Lake appeared before the Nevada County Planning Commission last Thursday to protest the proposed zoning of that area and the commission adjusted the problem by zoning that community for recreation only.

It had been proposed to designate this portion of the lake as commercial property to assist plans of the Donner Lake Development Company. A strong reaction is expected from the company when it learns of this change, Leo Todd, Commission attorney, declared.

The third hearing on the zoning proposal was set for July 12 at 7 p.m. in the Tahoe Truckee high school. Otto Norgaard, spokesman for the group, said they would appear in force at the July meeting to back up the commission's revised action.

Cecil Edmunds of Truckee, commission chairman, said the meeting at the high school would probably be the last in the series and urged the cabin owners to reach an agreement with the development company prior to that time.

The difference of opinion between the property owners and the company developed last year when the company installed a fence around the beach on the west end of the lake and confined the cabin owners to a 150-foot stretch of the beach. This was later increased to 400 feet.

Norgaard said he believed the company would prove reasonable if approached properly, but this opinion apparently was not shared by the majority of the protestants.

DOLLEY HEARS OF BIRTH OF GRANDSON

N. F. Doley, genial president of the Truckee Chamber of Commerce received word of the arrival of his grandson, May 12 at Sacramento.

The new arrival, named Dennis James who weighed more than 8 pounds at birth, is the second son of Mr. and Mrs. James Luke, both former well known residents of Truckee.

ASSESSORS TO LEAVE LOCAL OFFICE FRIDAY

Charles R. Kitts, county assessor, and deputies from his office are at the justice court offices here this week to assist local property owners in their assessments details. The officials will be here through tomorrow. Veterans may sign their tax exemptions at the office during the local stay, Kitts said.

Trout Season Will Open In District Saturday Morning

High Water May Result In Only Fair Open Day Locally

Although excellent weather is expected to prevail, high and muddy water is likely to prevent the best fishing when the season opens in the streams and lakes of this district Saturday.

The heavy runoff from the April record snow storm has filled streams throughout the area and much of the back country is still not accessible because of the snow and mud, according to Charles Osburn, vice president of the Truckee Outdoor Sportsmen and local fishing authority.

However, the high water is not expected to stand as a barrier to the nimrods who will be out seeking the big ones. Fishermen who know the streams will not doubt bring in limits on bait, but fly-casting will not produce results, the anglers predict.

Local stores are featuring all kinds of fishing equipment for the opening of the season and will give advice to those not familiar with the area.

Willie Schaeffler Named Games Aid

Appointment of Willy Schaeffler, Denver University ski coach, as assistant to the technical director for ski events at the VIIIth Olympic Winter Games, was announced last night.

Schaeffler, 43, will co-ordinate the course preparation and technical aspects of the ski events at the Winter Olympics.

Schaeffler's appointment was announced by the organizing committee at a meeting of the Southern California committee for the Olympic Games. He will join the Organizing Committee June 15 and reside at Squaw Valley. He will be on leave from Denver University.

At Squaw Valley Schaeffler will work under Technical Director Alan E. Bartholemey. Schaeffler will direct course preparation, the construction of snow fences and the laying of communications lines for the Olympic Alpine ski events—downhill, slalom and giant slalom.

RECREATION PLANS SUBJECT OF MEET

The California State Chamber of Commerce is holding a series of meetings in the Sacramento Valley region for discussion on the formulation of the California Outdoor Recreation Plan.

Roy Mikkelsen, chairman of the recreation committee of the Auburn Chamber, has announced that a meeting for El Dorado, Placer and Nevada counties will be held at the Auburn Hotel in Auburn at 7 p.m., Monday, May 19th.

It is hoped that representatives of all chambers in the three counties will attend the session, but reservations will be necessary.

MUSIC DEPARTMENT TO OFFER CONCERT

The Tahoe-Truckee High School music department will present the annual spring concert at the high school gymnasium on Friday evening, May 16, at 8:00 P.M. according to director Ross Price.

The combined senior chorus, senior band and several small ensembles will perform in both classical and modern idioms in keeping with the title of the program "Masters to Moderns." The high school musicians and director have prepared an interesting variety of music and the public is cordially invited to attend. Admission is free.

VETERANS' OFFICER TO BE HERE FRIDAY

A representative from the Nevada County Veteran's Service Office will be in Truckee on Friday, May 16, between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of these services may do so at the office of Justice Fosten W. Wilson, during the hours indicated.

One Killed, Four Injured In Motor Mishaps In Week

Foreman Crushed In Road Building Accident Near Boca

George J. Conley, 53, Reno, foreman for the Isbel Construction Company, was crushed to death shortly before midnight Thursday when a heavy truck backed over him at the company's highway project half a mile west of Hirschdale.

Witnesses said Conley was standing with his back to the big truck and could not be seen by the driver, Thomas A. Baxter, 44, of Sparks. After the vehicle passed over the victim's body, the driver went forward, still unaware of the tragedy and the vehicle passed a second time over the foreman.

The body was taken to the Truckee Colonial Mortuary.

The victim was a native of Missouri and leaves his wife, Alice and a daughter, Gale Conley, both of Reno.

Funeral services were held at Reno Monday and interment was in the veterans' plot in the Mountain View cemetery.

Coroner Alvah Hooper made the investigation of the tragedy.

OTHER MISHAPS
Four others were injured in three separate car accidents in this area during the weekend. Sergeant Frank Snyder of the highway patrol reported.

Mary Wilson Innocenti, 45, Reno, was taken to the Tahoe Forest Hospital at 10:40 p.m. Saturday after the car in which she was riding alone, failed to make a turn five miles east of Truckee and crashed into a guard railing. She was not seriously hurt and was cited for not having her vehicle under control.

Herald Butler, 55, Burlingame and Hilton Kerling, 39, Brisbane, were seriously hurt Saturday at 1:45 a.m. when a car driven by Marvin N. Kerling of Sunnyvale was wrecked at Hirschdale when it ran through a guardrail and overturned. The driver was cited for speeding and having a suspended driver's license.

Vincent G. Thiers, 38, who gave his address as Canyonville, Oregon, and two occupants of a car he was driving were hurt and taken to the hospital Sunday at 4:50 p.m. when the vehicle left the Brockway shortcut and was wrecked.

Thiers, who was involved in a shooting at Smart's here last summer in a marital misunderstanding, was being held on for violation of Section 12025 of the penal code after investigating officers discovered two guns hidden under the seat of his car.

Injured in the accident beside Thiers were his wife, Eleanor, 33, and Lloyd Wenzel, 37, the latter of Truckee.

Wolverines Win In South Tahoe Game

Craig Robinson pitched and sacrificed the only run as the Tahoe Truckee Wolverines took a 1-0 verdict over their Cross-Lake rivals, the South Tahoe Vikings. Robinson allowed only three hits while striking out 11 and walking only 2.

The Wolverines picked up their run in the bottom of the first inning. With one out, Buzz Trainor walked and L. J. Robinson's grounder was bobbled by the third baseman to put two runners on. Then a double play was executed perfectly by both to advance them to second and third. Craig Robinson got up and laid a bunt down to score Trainor with the game's only run. Any further scoring was halted when L. J. Robinson tried to score and was put out at home.

South Tahoe never posed a serious threat after that with Robinson's strikeouts and scattered hits. The Vikings were set down in the top of the seventh when Robinson struck out the last three batters to face him in succession.

Hetheron, South Tahoe Pitcher, pitched a no-hitter against the Wolverines while taking the loss. This was the last game for the Mountain Men this season and left them with a 6-5 overall record and 5-4 conference showing.

Since this year's squad is mostly sophs and juniors, Coach Farley will have 7 starters returning with a lot of other reserves. Cooper and L. J. Robinson will be the two seniors who are graduating this year.

WYETHIA LUNCHEON AT SMART'S MAY 27

Wyethia club will hold a luncheon and installation of officers, Tuesday, May 27th, at Smart's at 1 p.m. members will make their reservations with Cabona's for the event. New members and guests will be welcome. Past presidents still residing in Truckee will participate in the installation service with Mrs. Fred Pedley conducting the installation. Spring flowers will feature the installation and decoration theme with a rainbow of color.

Bids Are Called By State For Work On Brockway Shortcut

The division of highways called for bids today on a project to reconstruct a portion of the Truckee Short-cut Road between Kings Beach at Lake Tahoe and Truckee. The portion to be rebuilt is from 5.6 miles northwest of Kings Beach to the Nevada County line. The bids are to be opened in Sacramento on June 11.

The contract will call for grading and surfacing 4.4 miles of two-lane highway, generally on new alignment, near the existing roadway. A 32-foot roadbed with a 24-foot traveled way of plant-mixed surfacing will be constructed. The new highway will feature curves with a minimum radius of 1400 feet and the proposed grade will not exceed 7.2 per cent. The required drainage facilities will also be installed under this contract.

The Truckee short-cut road is a part of the federal aid secondary system. Funds for the work will be provided on a matching basis from federal, state, and Placer County sources.

Truckee To Face Lovelock Sunday

The practice game at Verdi Sunday between the baseball team of that town and the Truckee nine was called off because of rain, but Manager Al Wakefield said he hoped to have a workout tonight at 5:30 in preparation for the opening of the Sierra Nevada season against Lovelock Sunday at 2:15 p.m.

All players are asked to meet at the fire station Sunday at 10 a.m. for assignment of uniforms, etc. and to make the trip to Lovelock.

Wakefield said he has 15 players lined up for the opening game. Louis Goicoa will be on the mound and Bill Oates will catch. Others on the team are Wakefield, Les Davidson, Ed Frates, Bill Campbell, Willie Curran, Otis Cluck, Virgil Maldonado, Ed Mc Callen, Andy Garcia, Bob Heryford, Roy Bell, Gary Gunkel and Bob Campbell.

BEETLE-ETTES HOLD BUSY MEET HERE

Mrs. Keith Reid was a recent hostess to the ladies of the 20-30 Club members when it was voted to name themselves the Beetle-ettes and select club pins. The members are taking part in a public service project sponsored by the men's club. Refreshments were served after the meeting.

Mrs. G. E. Lewis and Mrs. Robert Moore were guests of the group, attending a fashion show at Reno, Nevada.

The result of a cake sale given at Z Market was voted a success.

Mrs. James Morhain was welcomed Monday evening as a new member. Mrs. Robert Rose will entertain the newly formed Beetle-ettes at 7:30, May 26th, in their home.

FIRST AID COURSE TO BE HELD MAY 20

Mrs. Marie Harry announced that she will instruct an advanced first aid course to be held May 20 at 7 p.m. in the Tahoe City Community Center.

All those in the area who are interested in advancing in the vital course are welcome to attend the class, Mrs. Henry said.

Englehart To Visit At Olympia Brewery Soon

Mr. and Mrs. William Englehart and Mr. and Mrs. William Englehart, Jr., have been invited by the Olympia Beer Company to be their guests on an all expense paid trip to Olympia, Washington the first of June.

A tour of the area is also included in the trip to the north west.

JUNIORS WILL HOLD FOOD SALE MAY 17

The junior class of 1959, Tahoe-Truckee High School will hold a food sale, Saturday, May 17, beginning at 10 o'clock in the Truckee Mercantile.

The young people are planning to have an attractive display of good things to eat and are hoping that the public will patronize their project.

IN THE BOARD OF SUPERISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Thursday, April 17, 1958
Adjourned Meeting
Present: John T. Trauner, Clerk
Wm. J. Cassettari, Chief Deputy District Attorney

The meeting was called to order by the Chairman of the Board at 10:00 A.M. and all members were noted as present.

The minutes of the meeting of April 1st were read to the Board by the Clerk, and upon a motion made by Supervisor Bishop, duly seconded and passed unanimously, the minutes were approved as read.

The County Auditor presented the Board with the County Budget Report from July 1st through April 7th inclusive, and upon a motion made by Supervisor Robinson, duly seconded and passed unanimously, the report was approved and ordered filed.

Mrs. Margery Worth, County Welfare Director, appeared before the Board and rendered the report of the Welfare Department. A discussion was held relative to case No. AG-1147 with the Welfare Director and the Board, and after a short discussion a motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the Clerk to issue a Minute Order to the District Attorney, of the County of Nevada, to follow up Welfare case Nev-AG-1147.

Mrs. Longberg appeared before the Board and requested consideration for work on the street called Cedar Way in the Alta Hill District.

After a discussion the matter was referred to Supervisor Bishop.

Mrs. Cora Stevenson appeared before the Board relative to repair of the road in front of her house on Walker Drive. No action was taken by the Board at this time.

A discussion was held with the Board and the County Auditor relative to the institution of a new type warrant register in the County of Nevada, and a motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the Auditor to institute such type of warrant register.

A letter was read from the Nevada County Departmental Heads Association relative to micro-filming in the Courthouse, and the recommendation of that Association was to the effect that micro-filming should be instituted in the Courthouse. The matter was deferred until budget time.

A discussion was held with Mr. Veale, President of NCDHA, relative to the naming of a personnel commission. After a discussion, the Chairman named William J. Cassettari, W. W. Brunner, Guy Robinson, Mosco Smart, and W. W. Bishop as personnel commissioners for the County of Nevada.

A motion was made by Supervisor Robinson, duly seconded and passed unanimously, authorizing the attendance of the District Attorney at a conference in Santa Rosa in May. Expenses incurred therein are to be deemed a proper County charge.

A letter was read to the Board relative to damage done to telephone wires by the Road Department. After a legal opinion being

rendered by Mr. Cassettari, a motion was made by Supervisor Robinson, duly seconded and passed unanimously, referring the claim to the County Insurance carrier.

A motion was made by Supervisor Smart, duly seconded and passed unanimously, authorizing the Grass Valley Junior Chamber of Commerce to be an entrant in the Maid of California contest.

Mr. Floyd Pond appeared before the Board and requested permission to have the Purchasing Agent call for bids for a security fence for the Detention Hall. A motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the Clerk to issue a Minute Order to the Purchasing Agent authorizing said Purchasing Agent to call for bids, for a security fence at the Detention Hall.

At this time the Board adjourned for lunch to reconvene at 1:30 P.M.

AFTERNOON SESSION:

The Board reconvened at 2:40 P.M. and all members of the Board were noted as present.

Dr. O'Brien, a representative of the State Department of Public Health, appeared before the Board relative to the renewal of the contract between the County of Nevada and the State, to provide health services for Nevada County on a participating basis for 1958-59. After a discussion between the Board and the Doctor the matter was deferred.

Mr. A. T. Parsons, Planning Consultant, appeared before the Board and presented the Board with a copy of the proposed Airport Zoning Ordinance. After the Ordinance was read to the Board by the Clerk, a motion was made by Supervisor Smart, seconded by Supervisor Bishop, adopting Ordinance No. 221. Upon a roll call ballot the following vote was recorded:

Supervisor First District—aye
Supervisor Second District—aye
Supervisor Third District—aye
Supervisor Fourth District—aye
Supervisor Fifth District—aye

Due to a legal problem, and a lack of proper study Supervisor Smart, on the recommendation of the District Attorney, withdrew his motion passing Ordinance No. 221, and the matter was deferred for further study.

Mr. Robert Graham appeared before the Board and rendered a report on Road Department matters. A discussion was held with the Road Commissioner and the Board on the acquisition of rock to be used for gravel on the County roads.

Mr. Paul Norboe appeared before the Board relative to the Cunningham Road. A discussion was held relative to the road and

James Canyon Ranch Is Ready For Operation

James Canyon Ranch Creamery officially went into business last week by placing milk and creamery products for sale here, in Reno and surrounding communities.

The new creamery, one of the newest and most modern in the west, is located at Genoa, Nevada. The plant, with its up-to-date processing methods, was completed last week.

Products placed in stores by James Canyon Ranch Creamery include: Golden Guernsey milk, from the ranch's own herd of registered Golden Guernsey cows; homogenized Vitamin D milk, 2 per cent skim milk, buttermilk, half-and-half, whipping cream, cottage cheese, butter, eggs, chocolate milk and orange juice.

Milk for other than Golden Guernsey will be supplied by many top dairy ranches in this area. Still under construction in Reno is a new office and wholesale depot which is located on approximately four acres of land at Mill Street and Mately Lane. The building will include space for loading docks, warehouse, offices and refrigerated storage.

the feasibility of bring the road into the County Road System. The matter was finally referred to Supervisor Bishop, who will, with the Road Commissioner, inspect the road and report back to the Board at a later date.

Mr. Denis A. Christin, County Superintendent of Schools, appeared before the Board relative to the proposed annexation of the Oakland School District to the Nevada City Elementary School District. Mr. Christin in a written recommendation recommended that the Board of Supervisors unite the two districts. After a discussion with various people in the audience participating therein, and the District Attorney rendering legal opinion, the Board of Supervisors set the time for Public Hearing, for the proposal of uniting the Oakland School District and the Nevada City Elementary School District, at 2:00 P.M. on May 1st, 1958.

Their being no further business to come before the Board at this time, a motion was made, duly seconded and passed unanimously to adjourn Sine Die.

FAMOUS JUDGES OF HISTORY

No. 2

HADRIAN : Publius Aelius Hadriannus; A.D. 76-138; Born near Seville, Spain; excellent education and well versed in all the intellectual and material refinements of the Graeco-Roman civilization; a ward of Emperor Trojan; held many high offices; succeeded Trojan as Emperor.

His great executive and administrative ability restored order out of chaos created by Trojan and his wars, which had bankrupted Rome. His regulation of the Judiciary was noteworthy by being instrumental as the precursor of our modern Corpus Juris, or Jury System.

ELECT...

HOOPER

He built many famous public buildings; built cities, roads, aqueducts, etc. A trained man, he accomplished much.

Mr. Hooper has had, in addition to his exceptional war record, an outstanding success in business and in administrative positions. During the war he handled many court martial cases (equivalent to civil court trials). He is now a member of the Military Affairs Committee.

Over \$50,000,000.00 will be spent in this area during the next few years, and the court load, due to heavy influx of labor, technical men, etc., will be increasingly heavy. This calls for a vigorous and trained man.

The Tahoe Judicial District is indeed fortunate to get a candidate with such an outstanding record.

HARRY S. HOOPER

Legally trained for a legal job

His platform slogan is:

"EQUAL RIGHTS TO ALL, WITH JUSTICE, UNDER LAW"

ELECT a qualified man for your next Judge: Harry S. Hooper for Judge of the Tahoe Judicial District.

SUMMIT SCENE

by FRAN COUILLARD

Since we last communicated with you we have done various and numerous things that have kept us too occupied to do concentrated reporting. First off, we took the last bus that ran over the hill on April 2nd (before April's unprecedented storm put on its big act) and wended westward. Needless to tell the locals that we didn't arrive home until the 8th when the first busses were allowed to slip their way over the hill eastward again. It was doubtful in our mind, at least, that we would make it at all for we got stuck in the Rodeo flood on Highway 40 on our westward wending way; the bus had a flat tire on the Oakland-San Francisco Bay Bridge which lurched us mightily, and we were caught in a taxi that burned up while in San Francisco.

So between blizzard, flood and fire—the gigantic snow hat our house had when we got home, our still snowed in car in the garage looked kind of good at that. A week of shoveling ensued that

resulted in a good snow-burn and sore muscles but we finally got the jeep out. Now that we have, we'll start with our reporting:

At this time of the year there doesn't seem to be too much to report and in our mind we have compared it with our interpretation of Children's Hour with apologies to Wadsworth. So, "Between the snow and the summer, and before the earth breaks in flower, comes a pause in the year's occupation which is known as the quit hour!" Those that we feel sorrowful about are the newcomers who stand disconsolate and drooping (besides being slightly amazed) as they say to themselves: "Where did all the nice winter's business disappear to?" and to them we'll say: "You shoulda seen it in previous years, when Easter Sunday marked the complete severance of the white gold business."

At least this year (even though without adequate publicity) the depth of the snow level made its own publicity and the die-hard skier, still unable to believe his eyes and what his skis are telling him, journeys up each weekend to see and ski. And with various and sundry stretches of highway

finished between Summit and Valley—when driving time has been cut a decimal or two—families with their ever present bananas and fried chicken—journey eastward to get a glimpse of nature's deposits—our one-day stayers! And so this past weekend beheld over 100 skiers on the Soda Springs hill, still on ten feet of snow.

Then there's that deal of "construction!" (We don't go into Truckee phase of it). But up on the hill where the Hampshire Rock-Soda Springs old cow trail of 40 will leave its nursing bottle and assume its maturity with a streamlined race track, there is anticipation and gnawing of nails. Especially since tons of orange outer space appearing wheeled diggers, graders, holers, upside-downers, tosser uppers, dust stirrers, rock killers and such, line in motely array in front of Helgren's Store at Hampshire Rocks—gritting their teeth and staring beligerently at the pop-eyed natives.

In the interim, those who celebrated the quit hour—while they may—take off for vacation land. Art Couillard takes his annual post office leave and travels major leagueward. Lena and Herb Fred-

DECONTAMINATORS—Wearing fully impregnated uniforms and gas masks, two students of the Chemical, Biological and Radiological School at Fort Bragg, N.C., work a super tropical bleach into the ground. This is part of the training they receive in ridding an area of residual contamination.

erick of the Norden Store wave goodbye to their month-shuttered place and start for Laguna Beach for a post masters' wingding. Bud and Barbara Zorich take off for San Francisco to combine business and pleasure—the former for ski equipment and apparel line to be displayed for next season's buyers. Harry and Hildegard Pratt of Pratt's Garage take off quick like with a Mexico look in their eyes. Edvi Aro heads for the coast and a visit with his sister. Elmo Morano of Beacon Hill Lodge celebrates the quiet hour by swinging a paint brush. We note that the scent in Soda Springs Hotel is one of paint and we also observe at this historic spot indications of a back patio smashed to pieces by snow weight. We hear bounding and the zing of saws at Donner Summit Lodge and are told that the Chuck Wagon is being constructed in the attractive dining room. We took advantage of the quit hour to relive Art Couillard in the post office while we relax and do some studying and you'll get the low down on that later. But we are up to some good! In the few hours we are not cramming we get ourselves reacquainted with some of our new neighbors and visit with a few of our older acquaintances. One highlight in the latter program is viewing Roy and Jess Thompson's 3-D pictures, especially those taken during the last snow storm. Roy and Jess have turned out some marvelous shots. A wonderful and colorful record of an April to remember.

Roy, who has made inspection trips back into the Cedars, where he superintends during the summer months, took his camera along with him, shooting scenes in the back-country and bringing out a picture story of an unforgettable April.

LAKE RISING

TAHOE CITY— With 17 gates wide open, the level of Lake Tahoe continues to rise and Monday stood at 6228.06. Art Frodenberg, cooperative observer, announced. Tahoe City reported .19 or an inch of precipitation from the weekend storm. Temperatures varied from 31 to 67 degrees during the week.

Mr. and Mrs. A. F. Sanford who have been at Las Vegas, Nevada are opening their resort property at Tahoe City.

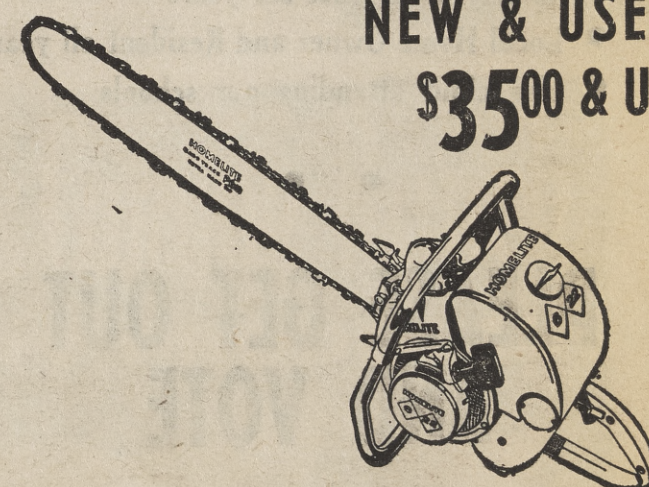

Dunshee down Kingvale way and learn that they have just returned from a Florida vacation. At Wolford's Motel in Kingvale, where Clark and Betsworth hold forth, hammers swing as they make (of all things) a playground in the basement for the construction people that will inhabit their abode.

A short chat with the John Whites of Cisco brought out the information that two cabins were destroyed by fire recently in that area. Could have been lightning! Milt and Helen Hogle—now away from our area and living in the warmer valley climes, come back to a former summer home at Rainbow to dig around in the ruins of a beautiful home caved in by the weight of snow. Have you seen Ernie Tschopp's garage at Kingvale? The roof of that place, slanted at a strictly crazy angle, forecasts that as the snow melts the roof will follow the melting snow. Yep, it's gone too!

Dennis and Muriel Jones left their warm, protected, green ranch near Auburn and journeyed up the hill for a snow peek. Met them at Soda Springs Hotel, their former property. Journeyed down the hill to Rancho Sierra where we met Jack and Jill McLaughlin, part of the new ownership at that place. Nice kids.

KITTS ATTEMPS TO ASSESS ALL PROPERTY

On the shoulders of Charles R. Kitts, who is seeking return to the office of county assessor for Nevada County, falls the highly exacting task of getting every piece of property in the county on the rolls at a correct and just fair figure meeting the requirements of the state board of equalization. Gone are the days when a county assessor could reward his faithful friends with low assessments and punish his political enemies with a high figure.

Under the rules laid down in the so-called Monterey Agreement framed in 1956 equalization must follow inter county standards and must also be properly equalized within the county.

At one time an assessor was expected to know something of real estate values but today he must also know replacement costs, depreciation, depletion. He finds himself in the role of economist, engineer, public relations expert and civic booster.

His office is the first stop for investors or property buyers or potential home owners or promoters. They wish to know, not only of taxes, but of highways, schools, water and neighbors. These questions he must answer.

Just within the past year the Grass Valley district suffered a tremendous tax loss with the closing of the Empire Star and the Idaho Maryland mines. It was estimated the tax loss of this property value could raise the tax rate of Nevada County residents by 30 cents. The immediate loss amounted to approximately a half million dollars.

But Assessor Kitts and his staff reviewed and rechecked vast amounts of Nevada County properties. They brought back parcels which had been missing for years from the tax rolls. The additional valuation figures added up to \$1,200,000 a net gain of more than \$700,000 above the mine loss. The gain took care of a 10 per cent salary increase for county workers and the county tax rate remained the same.

Kitts was appointed to the post of assessor as of July 1, 1956, and accepted a contract of the county board of supervisors to do a job to the best of his ability for two and one half years. He completed one assessment roll—that of 1957-1958. On the first of March of this year, he and his office staff began to prepare the 1958-1959 roll, more than \$100,000,000 real and personal properties holdings.

MANY NEW BOOKS AT TAHOE LIBRARY

TAHOE CITY—Among the many new books recently received by the Julia Becholdt Memorial Library at Tahoe City are the current best sellers—By Love Possessed by J. G. Cozzens; Masters of Deceit by J. Edgar Hoover; My Own Story by B. M. Baruch; Please Don't Eat the Daisies by Jean Kerr. Also, at long last The Diary of a Young Girl by Anne Frank.

"We would like to say 'thank you very much' to Mrs. Naomi McLane of Tahoe City for a years gift subscription to the 'Sierra Sun' and to Mrs. J. B. Metcalf of San Francisco for her gift subscription to the American Forests Magazine. These gifts are greatly appreciated by all", Librarian Marie C. Graham

This roll to be presented to the county supervisors July 1st.

That period will include April and May, the two months before election. Kitts says his first obligation and his full responsibility is the proper completion of that roll.

The matter of the election campaign, the first time he has asked the people to place him in office for a full term, must be secondary. By necessity he must do his election work nights, weekends or on holidays, depending upon his friends and those who know the story, to do it for him.

With what time he has at his disposal, he plans to meet the people. Obviously he can't make the complete circuit but he has stated that occasionally he will bring messages to the press and ask the indulgence of the county's population, in his program for retention in the office of assessor.

Could anyone deny this baby a few minutes?

Of course not! Yet the minutes you can save by speeding could mean this baby's life . . . or yours! Nearly 40,000 died in traffic accidents last year, with speeding a factor in 3 out of 10 fatal crashes! So think how many lives just minutes can save . . . and slow down!

Help stop senseless killing on our highways.

FIRST: Twelve children made 100 percent on addition tests. Almost everyone made 100 in spelling. We had a spelling bee last week.

SECOND AND THIRD: Mrs. Carl Christiansen, Carl's mother, visited our room Monday during spelling study. The following children received 100 percent in their spelling tests: Susan Tucker, Eva Eckenbo, Janice Wing, Dwight Combs, Georgia Burris, Ann Felte and David Hughes.

THIRD AND FOURTH: We are now working on our last social studies unit for the year. Bruce

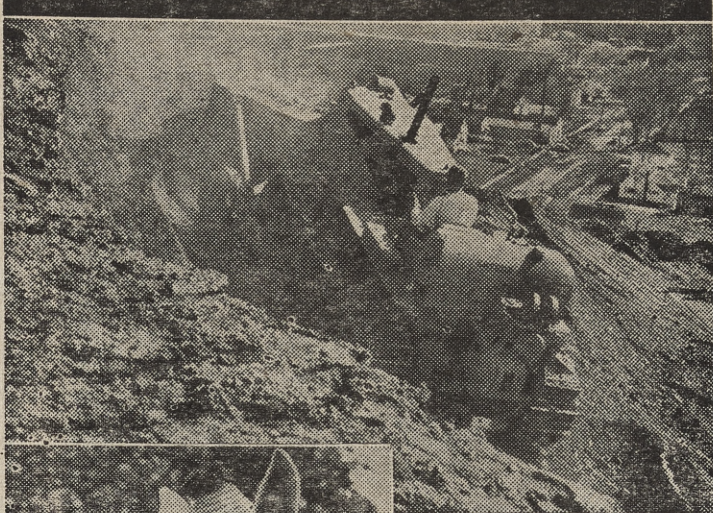

Templeton, Jon Hooper and Terry Boatman are working on a large map showing the location of all the California missions. Bruce Draney and Ross Knittel are making adobe bricks for a model mission.

Truckee Elementary

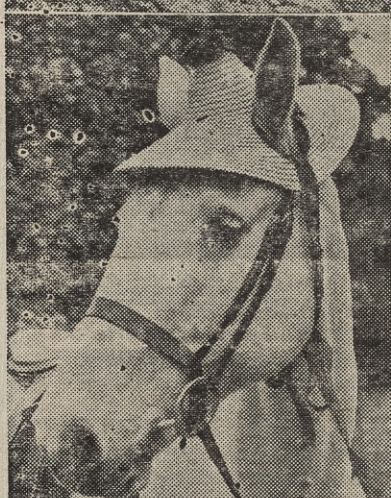

Our vegetables are doing well. Kathy Goicoa and Byron Johnston will soon have radishes; Dru and Debbie Turner onions and Diane Rose, spinach. There is a race on among the potato growers, with Debbie Wurst's and Steven Plant's leading this week. Kathleen Collier has beans eight inches tall.

FIRST: Recently all the reading groups have had reading tests covering the words in their books. The following pupils reading Many Surprises, had perfect papers. Larry Juliot, Steven Denyon, Anna Marie Collier, Carol Hart and Claudia Rhodes. Completing the book Our Many Friends, Group 1 had a long test. Karen Ried and Sandra

Ferdinand had perfect papers, with Terry Higgins missing only one.

FIRST AND SECOND: Le Roy Christman has joined our second grade. He formerly attended the Grass Valley school.

We have two new eight year olds in the second grade. Chris Kumble's birthday was May 6 and Carolyn Lambert's on May 3.

SECOND AND THIRD: We are glad to have Keith Saunders and Jim Travis back with us again. We also have Paul Scotton as a new third grade pupil.

Everyone had 100 on the test on writing numbers in the higher grades.

FOURTH: For the fourth grade the week found many of their thoughts and ideas being recorded. Among the participants were Diana Pankoke, Betty Saarni, Dawn Maynard, Sherry Borden, Fosten Wilson, Charles Hintz, Tom Butrick, Monty Straub and John Besio.

Once again spelling came through with a big successful week. There are now 37 pupils in the classroom.

SIXTH: Two new pupils have enrolled in our class, Sue Staggs and Ronald Ray.

We have been working on the solving of written problems in arithmetic. The results of Friday's tests showed an increase in understanding and the ability to solve problems.

Rowena Schuler, Kenneth Stumbaugh and Leonard Hensley have returned to school following their illnesses. It's good to have them back.

Tahoe Lake School KINDERGARTEN: The star papers on numbers and phonics work were done this week by Mindy Bechdolt, Sands Hall, Sally Starratt, Mark Wuthmann, Dan Dempsey, Debbie Rich, Mark Sherman, Karla Meixner, Dorothy Pomin, Christina Keehn, Colleen Howard and Jeanne Jones.

FIRST AND SECOND: In First Grade this week we are taking 10-word spelling tests to see if we are really remembering the words we have had so far. The following people made 100 per cent: Tony

McLane, Shirley Gratner, Mark Calhoun.

We have a new First Grader this week. His name is Gregory Pyle and we are glad to have him back.

On our "Star Printing" board this week the Second Graders have been adding many papers by working very hard. The following people made 100 per cent in the weekly spelling test: Erik Henrikson, Jim Caulkett, Karin Meixner, Gary Albin, Tommy Carnell Bro Shontz and Tommy Hoff.

SECOND AND THIRD: An intensive study of the cotton plant was made by the second and third grades.

During the study of turtles in science, Leah Howard brought her pet box turtle to class and shared him as a visual experience.

FOURTH: Seven children in our class hold the title of "Spelling Champ" for the week. Karen McBride, Cathy Connors, Alex Cushing, Kristen Meixner, Cheryl Flory, Paul-Cincotta and Jeff McLane knew all the words given them during the weekly "spell-down".

FIFTH AND SIXTH: The Fifth and Sixth graders will go on an overnight hike and camp out on Saturday, May 24, at 1:00 p.m., and return the next day at 1:00 p.m.

NEW TELEPHONE DIRECTORY FOR TRUCKEE-SODA SPRINGS

Effective July 1, 1958, and continuing annually, the Truckee and Soda Springs telephone listings will be part of the Lake Tahoe-Soda Springs-Truckee directory. The cover page of the directory will feature the Donner Monument. This change was initiated as a result of the high mutual interest factors between the communities and should expedite placing of long distant calls between neighboring exchanges. New directory closing dates are involved for the Truckee-Soda Springs subscribers. For additional new listings or changes in present listings, the final date is June 2. For the yellow pages, Classified ads, the closing date is May 26. As an aid to the Truckee-Soda Springs business people, the advertising group has established headquarters in King Beach and will accept collect calls at Brockway, Liberty 6-3364 through May 26 for anyone who might not have been contacted in the normal manner. New directories will be mailed to subscribers about July 1, 1958.

If you're on the go these fine spring weekends, you won't often be far away from a phone. We install phone booths where you're most apt to need them. Last year more than 2500 new ones went up in the Pacific West. You'll find these handy booths in vacation spots and in everyday places, too. By finding out where the demand is greatest, we're able to select the locations that are most convenient for you. Near busy street corners. In hotels, drug stores, gas stations. Wherever you go, your phones away from home make your service even more valuable to you.

Next time you see a group of telephone men at work, take a good look. Bet you'll notice they're all wearing glasses. These are individually-fitted safety glasses. And they're a big help in preventing eye injuries. The glasses are made so they won't shatter even under a heavy blow. The way we look at it, our people are the biggest asset we've got. And your best guarantee of good service. So we're strong for safety around here.

OTHER STATES STUDY CALIFORNIA DRUNK DRIVING STATUTES

Officials of several other states are investigating California's new drunken driver law with a view of adopting similar measures. Governor Goodwin J. Knight relates in the April 26 issue of The Saturday Evening Post.

His article, "We Jail Drunk Drivers," written in collaboration with Bruce Lee, says the drivers don't like going to jail, but they weren't supposed to.

"And if they're too spineless to blame themselves for their predicament, they can blame me," the governor declares. "I sponsored the legislation that put them there, and last September 11th, as governor, I had the pleasure of signing it into law—the toughest crackdown on drunk driving in the nation's history."

The governor says that he expects, because the law is tough, that in 1958 alone, thousands of accidents will be prevented in this state, more than a hundred lives will be saved and millions of dollars conserved.

It is reported that drunken drivers kill three people in California every day. They are responsible for one of every 4.3 injuries. Drivers who had been drinking are responsible for one of every five of all traffic accidents, and other states report similar statistics.

"My solution to the problem lies in swift, sure punishment for the drinking driver," Knight comments. "If he causes injury, he goes to jail as well as paying a heavy fine; and with the second conviction a jail sentence is mandatory, in addition to the fine."

"There are no alternatives. The law does not permit bail-outs, suspended sentences or probation. And the sternness of these provisions is having its effect."

Knight reports that, thanks to Assembly Bill 19, no drunken driver can expect help from anybody. The chances of "fixing" are simply eliminated.

He adds that this legislation applies with equal force to the 100,000 out-of-state drivers who visit California each vacation month.

PAVING OPERATIONS ON FLORISTON ROAD

The conversion of the portion of Highway U.S. 40 to be a four-lane freeway from Floriston to the Nevada State Line has reached the stage where paving operations can begin. The division of highways said today these operations probably will start during the week of May 12 and will continue for approximately six weeks.

The paving operation, consisting of placing concrete for the traveled way, will be done on one lane at a time. However, the narrow confines of the Truckee River Canyon in this area will require the use of a part of the second lane in the immediate area of the paving operation. This will require the handling of traffic on a one-way basis at this point. The traffic will be controlled by flagmen.

Construction of the project is currently 70 per cent completed and the contractor, Gibbons and Reed of Salt Lake City, plans to finish all work by September of this year.

Completion of the project will provide a four-lane divided highway for 5.4 miles through the Truckee River Canyon.

TNT Tidings

by NANCY WATTS

Elections for the officers at TNT will be held on Wednesday, May 21st. Candidates for the student government leaders of 1958-59 are: President, Bob Williams and Buzz Trainor; Vice-President, Woody Ribal and Marty Kumble; Secretary, Carol Ann Quilici; and Treasurer-elect, Judy Fanger and Jerry Cinani. Good luck to them in their campaigns!

Mr. Trask, Miss Carter, and Mr. Hampf chaperoned a field trip to Dillon Beach. Mainly for the purpose of observation by biology students of marine life, the trip was also taken by several pupils not in biology classes. Sherry Curran, Nona Rae Coffey, Judy Eanger, Judy Vaughan, Pat Gunkel, Nancy Watts, Luisa Sciutto, Dorothea Frey, Carol Bailey, Shirley Smith, Arlene Copeland, Diane McGihon, Shirley Hall, Sandra Swope, Don Henry, Gary Holbrook, Richard Griffith, Walter Bailey, Sherman Reams, Rob Cushman, Dean Barr, Ed Hampton, Dave Kettenhoffen, Bill Connors, Mel Dapp, Stan Baker, Dennis Thompkins, Jerry Cinani, Larry Jellin, and Richard Brown participated in this excursion, which lasted from noon on Friday, the 9th to very late Sunday night. Everyone had a wonderful time and expressed the desire to have another field trip next year. Thanks are in order to everyone who helped with the trip and especially to our chaperones and Mr. Trask.

The sale of bids for the Prom will be discontinued tomorrow, so this is just a reminder to all who

The order of position will be announced at Tonopah June 12-15. The four posts and auxiliaries will receive special plaques from national headquarters.

The four winning record books have been forwarded to national headquarters in Kansas to be judged and the results announced in New York August 17-22.

Last year's winners had Lake Tahoe in second place.

DEMOCRATS SHOW GAIN FOR PRIMARY

SACRAMENTO (CNS) — Democratic candidates will go into the June 3 primary election with a 7-5 registration bulge in their favor over Republican opponents, figures from Secretary of State Frank M. Jordan showed today.

Final registration totals for the primary showed 6,280,176, with Democrats numbering 3,542,374 and Republicans 2,552,678.

Nevada county was among the 52 with Democratic majorities, listing 5,491 Democrats and 4,869 GOP.

Only other party to qualify for the ballot, the Prohibition, listed 4,803 registered voters, while 154, 952 declined to state their party and 25,369 were listed as miscellaneous.

Registration figures showed a statewide gain of 479,651 since Dec. 31, last date on which Jordan announced totals. While the new total showed 56.4 per cent Democrats and 40.6 per cent Republicans, the Democrats made more gains since the Dec. 31 total.

PROJECT POSTPONED

The field day for the cleaning up of the commons and beach in Tahoe City has been postponed until Saturday the 24th of May because the 17th is the beginning of fishing in the area and we knew the turnout would be too small to accomplish what is needed. So good fishing and we'll see you the 24th for beach cleaning and improvement.

RETURN TO LAKE

Howard and Sally Pyle and son,

Greg, have returned to Tahoe City and are going to make their home here. The Pyles well known in Tahoe have been residing in Sacramento where Howard has been employed in the painting business. Howard will be employed at the Tahoe-Truckee Lumber Co. working with his brother in law Chuck Cross and father in law Charles Cross. Both family and friends are very happy at their return...

SUMMER RESIDENTS

Many of the summer homes are being readied for the return of their summer occupants, and the cars and trailers have been increasing in an amazing number. The state park in Tahoe City is open and ready for business and has had several campers already,

(brave souls). The Dave Gaynors have returned for the summer season after a wonderful winter some of which was spent in Palm Springs and sunny, picturesque Mexico.

MISSION WELL RECEIVED

The Mission being held at the Corpus Christi Chapel here in Tahoe City has been very well received and has caused a lot of thinking and personal analyzing. It may not be the most pleasant thing in the world to see ones faults brought to light but what could be more beneficial to each individual than to know clearly what is a fault and to begin working on it, it always so easy to see some one elses fault and so very hard to see our own.

SHOWER GIVEN

Carolyn Henrickson was the guest of honor at a baby shower given by Maxine Beckman and co-hostess Norma Wilson at the Trade Winds on Saturday, May 10th at 12:30. A lovely luncheon was served and a cake with the inscription "And Baby makes 5" was enjoyed by all. The gifts were hovered over by a very happy looking stork, that just topped off the occasion. Those present were: Betty Baker, Alberta Stark, Marlene Wuthman, Caroline Howard, Irene Grahn, Wilma Korich, JoAnn Ruhlala, Audrey Brehler, Bonnie Jones, Doris Clarke, Chick McBride, and Betty Jorgenson.

BROWNIES MODEL

The Brownies held a fashion show on Wednesday the 14th at 2:00 p.m. at the community Center modeling their favorite clothes either sport or dress. The new little girls going into Brownies went thru their ceremony and were given their Brownies pins. Following the ceremonies and activities tea was served to the mothers and guests, with each girl giving a helping hand.

TRUCKEE BIBLE CHURCH

Mrs. Wes Boyer was hostess to the women's Bible class Tuesday at 12:45.

Pastor Rhoades will show what the Scriptures have to say in answer to that pertinent question "Can We have Peace in Our Time?" at the 11:00 o'clock worship service.

This Sunday at 7:00 P.M. a new feature in the ministry of the church will mark its beginning is the family film hour. Christian Cinema will offer the opportunity to all to see the truths, the stories and the applications of spiritual truth come to life on the screen. There is no admission for any of the films; but any who wishes to help in defraying the cost of each film may take part in a free will offering.

The first showing will be a full length feature film in color entitled "I Beheld His Glory". It is a thrilling experience of dramatic intensity reverently told, inspiring and evangelistic.

BRUNKER WILL HEAD BUTTON CAMPAIGN

Weston W. Brunker of Grass Valley has been named chairman of the A. Ronald Button for State Treasurer Committee in Nevada County, it was announced by Dan E. London, nationally known hotel executive of San Francisco and general chairman of Button's Northern California Committee.

Upon accepting the appointment, Brunker pointed out that Button's accomplishments since taking office have resulted in millions of dollars earned and saved for California's taxpayers.

Button, a former corporation attorney from Southern California, was named California Treasurer by Governor Knight, November, 1956. Since then he has earned national recognition for the policies he has instigated for the handling of State inactive funds and the sale of school and veterans bonds, which have resulted in substantial savings to California taxpayers.

SACRAMENTO (CNS)—Several times attention has been called in this column to the activities of the so-called "discount houses," where merchandise is offered to certain segments of the public, usually at prices lower than those which are posted in legitimate merchandising establishments.

Usually, the discount houses are located away from the centers of population, where taxes are low, and in some cases, old warehouses or in the case of one place in Sacramento, an old dance hall, are utilized for the merchandising center.

And usually, only state, city, county, federal, military and veterans are allowed to buy cards which entitle them to trade at these places, all of which constitutes a discrimination on any segment of the public which does not belong to one of the groups. However, if an individual wants to visit one of the places very bad, there is little trouble arranging it if one knows how.

The establishments, in striving to take business away from the old-line stores, of course usually do not contribute to the community on a par with licensed business, either for taxes or welfare.

The subject is mentioned here again because now, one of these discount houses in Sacramento apparently has moved in on the state legislature, and obtained statements as to their glory from three of California's representatives, who are supposed to be representing all the people of the state.

In a large advertisement, the discount house carried pictures of Assemblymen Charles Wilson (D-Los Angeles); Augustus F. Hawkins (D-Los Angeles); and James L. Holmes (R-Santa Barbara). The legislators are inspecting the place, buying cards and otherwise posing

but is coming along very nicely. We hope she will soon be able to discard these very soon. Judy had a long seige with her broken leg.

for the people of the Sacramento area to promote the siphoning off of business from the merchants of the community.

Hawkins must be a regular patron of the discount houses, as he says the one he visited in Sacramento had lower prices than any other he had visited.

However, the store must have been a novelty to Holmes, who comes from a county where probably no discount houses exist. The legislator says he spent three days "shopping and comparing each of its price tags." Holmes, of course, was in Sacramento on business for the people of the state, but there is no indication the Santa Barbara legislator waived his expense account the people are paying while

GORDON UP TO PROBE POSSIBLE DROWNING

Charles "Chuck" Gordon, deputy county coroner and candidate for public administrator, was in Truckee yesterday in behalf of his campaign and to investigate the probable drowning of Preston A. Lane, 36, Oakland, whose car was taken from the Yuba river Tuesday.

Gordon said the body, if Lane drowned as supposed, may be as far as Lake Spaulding due to the high, swift water.

State College To Be Located At Beach

With the Tahoe Lake school under construction this summer, the locale for the Sacramento State College summer sessions has been changed to the Kings Beach school.

Dr. Richard H. Reeve announced this week.
 The sessions will start July 7 and continue through August 15 and a number of new courses are being offered this year. These include Indians of California, with special readings, conferences and field trips; Social Science 101, on man in society; Art Studio and general art workshop, natural science and field natural history.

Instructors will be Dr. Reeve, Raymond W. Witt, Robert A. Wyman and Dr. Martin R. Brittan.

Registration will be accepted at the Kings Beach school on Monday, July 7, 14, 21, 28 and August 4 and 11 from 8 to 10 a.m.

Living facilities must be the responsibility of the individual student, Dr. Reeve said, but a bulletin will be placed showing housing accommodations and further information may be obtained from the Lake-Sierra Chamber of Commerce at Box 21, Kings Beach.

Sun Valley, California was the address of David R. Gaynor, changing this week to Tahoe City.

SUSPECT IN AUBURN IS TRUCKEE RESIDENT

AUBURN — Two suspects are being held in the county jail for investigation, following their arrest by Rocklin police. They are William E. Sterling of Los Angeles and Paul Newsome of Truckee.

Sheriff William E. Scott said a check by the highway patrol revealed that Sterling was driving a car, which had been reported stolen from Los Angeles. Further investigation indicated that the driver was an escape suspect from Maro Loma prison camp, having been reported missing last February.

Newsome, who originally gave the name of Barney F. Smith, claimed that he was hitch-hiker who had obtained a ride with Sterling at Truckee. A check on his record indicated that he was wanted for jumping bail on a theft charge in Houston, Texas, the sheriff said.

Officers discovered some bed clothes in the car, which proved to have been taken from a state Forestry cabin at Alta. Sterling has been charged with burglary of the cabin, the sheriff reported. A further check is being made into the activities of the two men.

Mr. and Mrs. A. J. Ketman have arrived to open their property at Carnelian Bay after spending the winter at Menlo Park.

Buddy Poppy Sale Will Be Aid For All Veterans

KINGS BEACH — The Buddy Poppy Sale helps all veterans, with the veterans of all wars receiving direct and prompt aid from the proceeds of the sale conducted by the VFW, Commander Gene Faulkner of Post 1077, Lake Tahoe, explained.

Aided by the auxiliary, the post will direct this year's annual Buddy Poppy Sale in the North Tahoe area on May 24.

"The VFW is proud of the fact that although its membership is limited to men who served their country in foreign lands, the many benefits are offered to all men who served in the armed forces, even though they did not leave the continental limits of the United States," Faulkner declared.

There is no price set on the poppies and no amount is too small and of course, none too large, the commander said.

PTA FOOD SALE TO BE HELD ON MAY 30

Plans were made Monday evening at the meeting of the Truckee Elementary School P.T.A. to have a cakes and cookies sale May 30th at Z Market.

Mrs. Zeph Rose said the funds raised will be donated to the Red Cross summer swimming program.

The meeting was the last of the season, Mrs. William Davis presiding in the absence of Mrs. Roy Saarni.

Appropriate gifts were given three departing teachers, Mrs. Helen Camp, who will remain here, Mrs. Olia Tiffie planning to leave to teach in the bay district and Miss Jean Kessey, leaving soon by air for New York, where she will embark for Norway and is already enrolled in the University of Oslo.

The piano recital given by students of Mrs. William Englehart, Jr., was pleasing and well received by the attentive audience.

Refreshments were served at the close.

From Pearl Blossom—Mr. and Mrs. Edward Butler have made their annual, spring trip from Pearl Blossom, to remain here until fall.

THOMAS STARKS ARE BACK AFTER WEDDING

Mr. and Mrs. Thomas Clinton Stark are at home to their friends at Donner Lake, following their recent marriage in the Park Wedding Chapel at Reno, Nevada, Rev. Gareth Hughes officiating at the ceremony.

Attending the couple were Miss Frances Malorana and Mervin Greenup. The couples parents also were at the ceremony which was followed by a dinner party.

The bride is the former Julie Allean North, daughter of Mr. and Mrs. William North of Carmichael and attended schools in that area. She is affiliated with the American River Riders.

Stark is the son of Mr. and Mrs. C. Merle Stark of Grass Valley, attended schools there and in Ontario. He is a member of the National 20-30 Club.

PLACER PLANNERS FAVOR LAKE ZONE

AUBURN—County planning commissioners voted 6 to 2 for an ordinance to provide business zoning along a three mile stretch of State Route 89 between Tahoe City and Ward Creek at Lake Tahoe.

They delayed until June 13th, however, a final hearing on an application to establish a shopping center on a 23 acre tract in that area, one fourth mile south of Tahoe City.

Commissioner Harry Stublely made a motion the center application be denied and this was defeated 5 to 2.

Later Commissioner Chester Gibbs moved the center be approved and his motion was okehed 5 to 2. Deputy District Attorney Richard Tuttle pointed out, however, a county ordinance calls for six approving votes on rezoning. Commissioner Edward Grey was not at the meeting.

VFW CONVENTION IN RENO SET FOR MAY 18

KINGS BEACH—Sam McDowell of Stella Shaugnessy, District 3 commander and president of the VFW and Auxiliary, has announced the district convention will be held Sunday, May 18 at 2 p.m. in the state building at Reno.

Delegates of the auxiliaries have been asked to bring their colors and banners for the presentation of colors.

Election of officers for the 1958-59 year will be the main order of business.

Members of the Lake Tahoe auxiliary attending are asked to be at Crystal Bay Lodge at noon Sunday, Reno No. 407 will host the convention following the installation and a buffet will be served.

MRS. PEDLEY ATTENDS WOMEN'S CLUB MEET

Mrs. Fred Pedley is in San Francisco this week attending the state convention of the California Federation of Women's Clubs at the Sheraton-Palace Hotel. A program, panel discussions and election and installation of officers featured the meeting.

Mrs. Pedley as state chairman on safety, will have a safety exhibit in the gold room and the California Highway Patrol Mobile Safety unit will be there for testing members. She will also present four awards, one to B. R. Caldwell, state highway patrol commissioner; the Cool Study Club of Cool, H. J. Wood, a Greyhound bus driver and the Orange district of the California Federated Women's Clubs.

The Truckee woman will be installed as president of the Sutter District at the state convention and will install officers of the Fair Oaks Club before returning home.

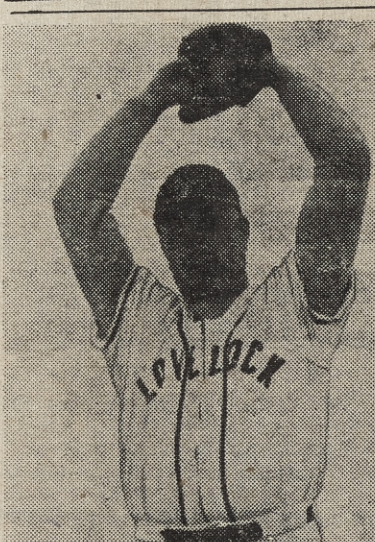

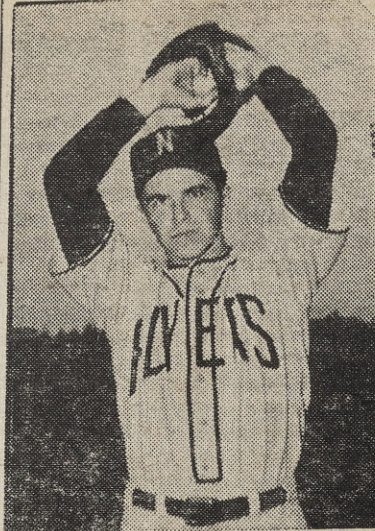

NEVADA CITY GAIN FROM NEW TAX PLAN

NEVADA CITY—Sales tax revenues totaling \$19,800 will be received by Nevada City authorities for the fiscal year beginning July 1, the City Council was told.

This forecast was read to the council from a letter of information received from the state board of equalization.

The federal income tax was imposed by an act of Congress July 1, 1862 and repealed in 1872, along with other Civil War taxes, potent weapon in the war on road

Opposing Pitchers

These two pitchers, Lous Goicoa at the top and Dick Martin, bottom, will oppose one another at Lovelock Sunday when the Truckee team goes there for the opening game of the season in the Sierra Nevada League. Manager Al Wakefield will head his team, leaving the fire station Sunday at 10 a.m. Goicoa will do the twirling for the Truckee team and Martin for the Lovelock nine.

LINDSAY HERE ON TOUR OF DISTRICT

Francis Lindsay, who represents this district in the California Assembly, was visiting here last week while on a tour of the district.

Lindsay has been active in promoting local projects, including the 1960 winter Olympics and the new four-lane highways over the Sierra. As chairman of the conservation committee, his work in the assembly has been directed toward improving and conserving the natural resources—water, wild life and others things so essential to the welfare of this region.

The legislator believes that his re-election is important to the continued development of this region and because of his studied interest in affairs of local, as well as state-wide nature, his supporters are anxious that he be returned to the office which he holds.

Conservation of natural resources is so vitally important to the welfare of the state and particularly this area of the state, that a man of experience and ability should take the lead in legislative matters on the subject.

The assemblyman plans to return to this area again before the election.

PALMER TELLS WHY HE SEEKS OFFICE

KINGS BEACH—In speaking recently before a PTA meeting, John Palmer, Tahoe businessman and candidate for a position on the governing board of the Tahoe Truckee Unified School District at the election next Tuesday, stressed his interest in school affairs.

"The functioning and mal-functioning of the California school system has interested me for some time," Palmer declared. "In fact, I took some college course on education a couple of years ago."

"I do not have any pet peeves that I want to bring out if I should be elected to the school board, but I do have some broad general beliefs," the candidate said.

He went on to point out that the so-called progressive education, in some phases, has been carried to the extreme, but that the "fad" has apparently run its cycle and that good things have come from it and less desirable items discarded.

"My belief," Palmer said, "is that we send our children to school to get knowledge. We want our children to be given the tools for the contacts they'll encounter all their lives."

Palmer has been in business at Tahoe for several years and has one child in school. He attended the University of Washington and majored in business administration.

OPENS SHINE STAND

Another sure sign of the arrival of summer in this community was the establishment this week of George Waters' shoe shine stand near the post office. The long-time Truckee resident each year maintains his small business throughout the summer for the convenience of his many local and visiting patrons.

PROUD GRANDPARENTS

Mr. and Mrs. Garing McGee of Grass Valley are hopeful of soon seeing their 7 months old granddaughter, Colleen Ann but in the mean time were showing local friends recent pictures of the little girl.

Mr. and Mrs. Alfred McGee, the parents, are living at Tucson, Arizona where he is with the armed forces.
